From the President

Ed Rucker

Ohhh, yeah!!! The season is upon us basinonians! (To take a line from my friend Ron Wolfley). From what I hear, the competition is even better this year.

Next Trial

Our next trial is set for Dugas, Arizona just north of Cordes Junction on March 19-20. We are still working with the forest service on our exact location. With the antelope fawning they are moving us around. We'll keep you posted.

AKC Judging Seminar

Todd Fielitz has always been there for our club. Many of you will never know the extent of what he does for us. This AKC judging seminar is one of many things he has lined up for us. This seminar will be held April 2, 2011 at Marie Callendars at I-17 and Northern Avenue. The presenter will be Bonnie Hidalgo of AKC and the cost to attend is \$25 per person. Food and beverages are not included in this price. If you ever wanted to become a judge or would like insight into the judging, here is your chance to learn. Please pass the word, we would like to have a full house on this to cover the expense of the event.

Banquet 2011

It looks as though our Banquet will be held on **April 16, 2011**. We will need your help to make this a hit again. We need to start selling raffle tickets for those guns!!! Please see Brent Jacobs to get raffle tickets. If you can dig up fundraising opportunities, now would be the time to start looking into it.

Arizona Walking Shooting Dog Championships-April 30th thru May 1st

In partnership with the Arizona Bird Dog Club, we are hosting the Region 12 Walking Shooting Dog Championships. Folks, your dogs can compete in this event. If you have a placement in an American Field event, you are qualified to run. If you do not have a placement, you need to get up to Winona, Arizona and run in the AFTCA qualifier in March. The ad is in the newsletter. All you need to run is your dog registered in the field dog stud book. You have time to register and get qualified. The event will be run at the Apache Maid trial area. You're gonna like the grounds. When Brian and I surveyed the grounds we saw about 20 mule deer, 30 elk and 30 antelope.

As always, I miss you all and hope to see you at this month's meeting. We have many new members, so please introduce yourselves and help them feel welcome. To our new members, I welcome you and ask that you please call or email me if you ever have any questions on how we operate and how we can serve you.

2011 Trial Season Report

Brian Smith

Alright all the race is on, so to speak. We kicked off the season with a bang, or several bangs, and I would like to thank several members for a successful training and trial. C.J. Hamilton, who was instrumental in getting birds and getting the trailer to the grounds; Todd Felitz, who debuted his awesome dog motel, and donated his training skills to other members on Saturday. Thanks a lot Todd. Training wouldn't have been as good without you. Thanks also to my wife who bailed me out on a barbeque snafu on Saturday.

Training Day – I hope you all enjoyed Training Day. We ran a lot of dogs on pigeon poles and got some new members, and some vets involved with this. I can tell you that some of the up and coming dogs were awesome to watch and we enjoyed meeting the new members. We all got barbeque hockey pucks and dogs after. I apologize for this personally.

We had Jim Cassara put on the judging seminar and Mike George explained clicker training as well.

Gentlemen, start your dogs – Sunday started pretty wet and cold. However, we were blessed to not have rain, which was most welcomed.

Gundog Class –

1st Place – Brent Jacobs with Tori. Looks like you picked up where you left off last year, except Jim wasn't there.

2nd Place – Todd Felitz with Wyatt. Todd has decided to get T.O.C. qualified early this year.

3rd Place – Bobby Moore with Duke. Bobby decided to move Duke to Gun Dog and it looks like it worked. Duke slammed an awesome point on Saturday that I saw and he carried through on Sunday. Welcome to Gundog!

4th Place – Pete Torres with Jack. After not seeing Pete or his dogs for a while, it seems that they still look good and this is another newcomer to Gundog; so congrats Pete, and great job.

Sr. Hunter Class – Before placements, here a little side note. We ran 10 braces here so getting a placement and T.O.C. qualification here is quite the task.

1st Place – Kelly Burns with Jack. Up from JH to SH and winning the whole thing. I ran against Kelly with Slick and here is the strategy to win against this duo in the future. Learn how to walk way faster and make your dog run faster. Ha Ha! Great job, Kelly.

2nd Place – Alan Churchwell with Belle.

3rd Place – Jeff Toms with Greta.

4th Place – Brian Smith with Gretchen.

This was decided in a three way tie for second with a run-off. Alan is up with Belle from JH and they look to be tough competition. Jeff had Greta qualified in T.O.C. last year and she obviously is still solid. As for me and Gretchen, it looks like we need to start training for run offs??? Great job everyone.

Jr. Hunter Class –

1st Place – Jim Schroeder with Crown. As always, when Jim runs a dog, expect a ribbon on it. The question here is, is Crown the next King???

2nd Place – Kit Critchlow with Hannah. I watched this one and all I can say to my friend Kit is, get that dog trained to be steady and we got us a birddog, but I can't shoot from 200 yards out.

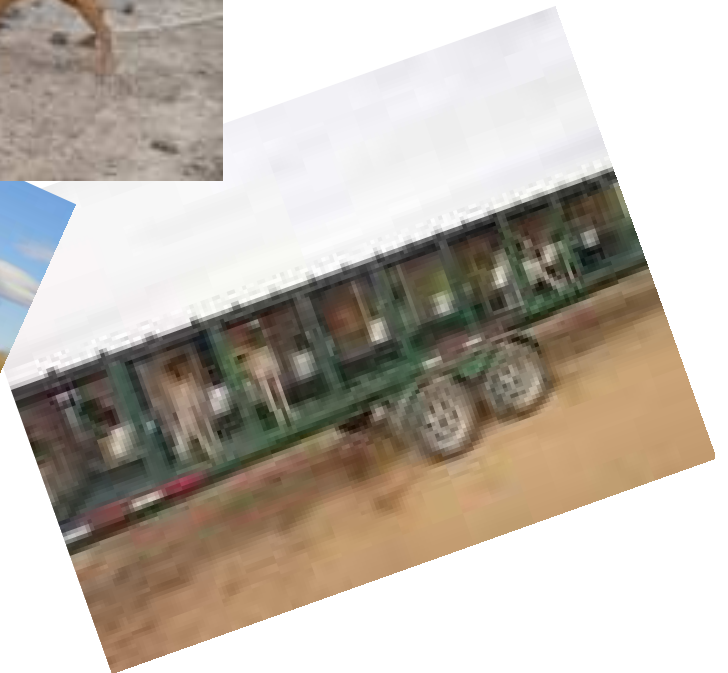

3rd Place – Jim Schroeder with Tucker.

4th Place – John Sisk with Pebbells.

JH was fun to watch due to Raw Talent, that's all I can say there.

I hope everyone had fun and thanks to everyone for all your help. The season is off and running and we have several new members from this event. I want to personally note that Debbie Schroeder marshaled most of this event for me. Everyone who enjoys these events should give their appreciation to Debbie. This job is difficult and demanding and she volunteers at every event she attends. As for the rest, the race is on for 2011. Get the dogs tuned up and see you in Dugas this month.

English Setters –

We have been breeding setters in Arizona since 1983. They have won in NSTRA, AKC, in walking and horseback stakes in American Field. A pup from Suncanyon Setters won last year's National Amateur Prairie Chicken Shooting Dog Championship with 58 dogs, this year he won the Runner Up title. Back to back wins on wild birds in a major championship.

We currently have several pups five months to one year of age that have been well started on pigeons, bob white quail and some have been on wild birds. They have been hauled to training grounds and a field trial or two. They have also been shot around with a blank gun, they are ready for you to expose them in wild birds this season and finish the way you want them.

Pups starting at \$500 both male and female pups are available.
